

COLLECTOR'S NECKLACE

Barbara Chapman

Supplies you will need to bring:

- ◆ Macra-board or cork board to pin on
- ◆ Approximately 6 long pins
- ◆ Scissors
- ◆ Needle-nose pliers
- ◆ Small tapestry needle (size 24 or 26)
- ◆ Conso cord in one or more colors
- ◆ Clasps - either a large bead to make a loop and bead closure, or cone-shaped multi-strand closure
- ◆ Beads - **many** are needed - some will need a large enough hole for 4 to 6 strands of conso cord to pass through. All should accommodate one strand of conso.
- ◆ Dangles, pendants, charms, long beads, objects to augment beads and give design interest

Barbara comments, "Do not wait until the last minute to look for beads with large holes, as they are harder to find."

- ◆ = available for purchase at the Black Sheep (760) 436-9973
